## Notice to Tuscany Residents

**On June 21 and 22** we will be having the property trees trimmed, side hedges trimmed as well as other overgrown plantings.

Doc Tree Trimming will have a crew of six onsite each day to trim, clean up and haul.

**Please leave all parking spaces in front of the building empty** in order for the equipment needed for this effort to be available.

We apologize in advance for any inconvenience this may cause.

West Coast Management and the Tuscany Board of Directors
